* Please provide explanations to the external auditor on a separate sheet for each 'no' response given; and describe what action is being taken to address the weaknesses identified.

Additional disclosure notes*

The following information is provided to assist the reader to understand the accounting statement and/or the Annual Governance Statement

1. Expenditure under S137 Local Government Act 1972 and S2 Local Government Act 2000

Section 137(1) of the 1972 Act permits the Council to spend on activities for which it has no other specific powers if the Council considers that the expenditure is in the interests of, and will bring direct benefit to, the area or any part of it, or all or some of its inhabitants, providing that the benefit is commensurate with the expenditure. Section 137(3) also permits the Council to incur expenditure for certain charitable and other purposes. The maximum expenditure that can be incurred under both section 137(1) and (3) for the financial year 2020-21 was £8.32 per elector.

In 2020-21, the Council made payments totalling £ 0.00 under section 137. These payments are included within 'Other payments' in the Accounting Statement.

Auditor General for Wales' Audit Certificate and report

I report in respect of my audit of the accounts under section 13 of the Act, whether any matters that come to my attention give cause for concern that relevant legislation and regulatory requirements have not been met. My audit has been conducted in accordance with guidance issued by the Auditor General for Wales.

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2021 of:

Barmouth Town Council

Auditor General's report

Audit opinion - Qualified

Except for the matters reported in my Basis for Qualification below, on the basis of my review, in my opinion no matters have come to my attention giving cause for concern that in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislation and regulatory requirements have not been met;
- is not consistent with the Council's/Committee's governance arrangements; and
- that the Council/Committee does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis of qualification

Accounting statement

In my opinion, the accounting statement has not been properly prepared in accordance with proper accounting practice. I am unable to conclude whether the accounting statement properly presents the Council's receipts and payments and financial position at 31 March 2021.

- There is an arithmetical error in the 2019-20 comparative accounts. Based on the accounts entries, the closing balance (line 7) should record £184,194 and not £184,143 as stated. The Council states that the correct closing balance is £184,143,
- The year end bank reconciliation is prepared to demonstrate that the Council's underlying accounting records, upon which the accounting statement is based, are complete and accurate. The Council's bank reconciliation identifies that the expected year end balance is £227,405. The balance reported on the accounting statement (Line 7 and 11) is £227,906.

Annual Governance Statement

In my opinion, the Council's governance statement is not consistent with the actual arrangements in place during the year.

- Assertion 1: The Council asserts that it has made proper arrangements for the preparation and approval of the accounts. The approval requirements are set out in the Accounts and Audit (Wales) Regulations 2014. The Regulations require that the Council publishes a notice explaining why the accounts were not approved by 30 June 2021. No such notice was published.
- Assertion 3: The Council asserts that it has complied with relevant laws. When setting its precept, the Council is required to calculate its budget requirement in accordance with the Local Government Finance Act 1992. The Act requires the Council to take into account its level of reserves when setting its budget requirement. At 31 March 2020, the Council carried forward reported reserves of £133,016. This equates to 232% of the precept raised during 2020-21 and 132% of its expenditure for 2020-21. In setting its precept for 2020-21, the Council disregarded the high level of reserves carried forward and therefore, in my opinion, issued an unlawful precept.

Other matters arising and recommendations

We draw attention to the recommendations made by the Council's internal auditor. The internal auditor's recommendations should be addressed as soon as possible.

There are no further matters I wish to draw to the Council's attention.
