Auditor General for Wales' Audit Certificate and report

I report in respect of my audit of the accounts under section 13 of the Act, whether any matters that come to my attention give cause for concern that relevant legislation and regulatory requirements have not been met. My audit has been conducted in accordance with guidance issued by the Auditor General for Wales.

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2020 of:

Barmouth Town Council

Auditor General's report

Audit opinion - Qualified

Except for the matters reported in my Basis for Qualification below, on the basis of my review, in my opinion no matters have come to my attention giving cause for concern that in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislation and regulatory requirements have not been met;
- is not consistent with the Council's/Committee's governance arrangements; and
- that the Council/Committee does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis of qualification

Accounting statement

In my opinion, the accounting statement has not been properly prepared in accordance with proper accounting practice. I am unable to conclude whether the accounting statement properly presents the Council's receipts and payments and financial position at 31 March 2020.

- The Council's underlying accounting records are incomplete as reported by the Council's Internal Auditor.
- The year end bank reconciliation is prepared to demonstrate that the Council's underlying accounting records, upon which the accounting statement is based, are complete and accurate. The Council's bank reconciliation contains a £1,045 unexplained discrepancy between the expected year end balance and the balance recorded in the accounting statement.

Annual Governance Statement

In my opinion, the Council's governance statement is not consistent with the actual arrangements in place during the year.

- Assertion 1: The Council asserts that it has made proper arrangements for the preparation and approval of the accounts. The approval requirements are set out in the Accounts and Audit (Wales) Regulations 2014. No evidence has been provided for audit to confirm that the Council approved the accounting statement. Neither the RFO nor the Chair have certified the annual return as required by the Regulations. There is no evidence in the Council's minutes as published on its website that the Council approved the accounting statement.
- Assertion 3: The Council states that it has complied with relevant laws and regulations. The Council is required to publish its minutes on-line. However, my audit established that the Council has not published minutes for 2020 and earlier years.
- properly The Council's internal auditor drew the Council's attention to deficiencies in internal control including a failure to comply with standing orders, missing accounting records and a failure to carry out a risk assessment. These deficiencies have not been reflected in the Annual Governance Statement.

Other matters arising and recommendations

We draw attention to the recommendations made by the Council's internal auditor. The internal auditor's recommendations should be addressed as soon as possible.

There are no further matters I wish to draw to the Council's attention.
